MONTHLY MEETINGS

Monthly meetings of the Historic Fredericksburg Region AACA will continue at **6:30 pm** on the third Tuesday of each month except December at the Dorothy Hart Community Center, 408 Canal St in Fredericksburg. Members will be notified of any changes. The next meeting is 21 March 2023.

MEMBERSHIP

We are always looking for new members. If you or someone else you know is interested in joining our club, please come to one of our membership meetings. For more information on membership, please contact our Membership Chairman Wally Hunt at 540-424-0212.

****Please call Connie (540-993-7941) with input for the **Sunshine** Committee.**

PRESIDENT'S MESSAGE

Welcome to an early spring?? We have enjoyed unseasonably mild weather with a few of us getting an early start on driving our antique cars. I suspect we will be treated to a bit more winter weather as March can bring significant snow but typically leaves quickly.

Our show and event planning are off to a good start. ODMA planning with Wally's leadership is well along. Entry forms are out and entries are coming in. Our June show is also on track thanks to J and Connie's early planning. J called a joint show committee meeting for Monday February 6 which was well attended. All region members are encouraged to attend and share their ideas. Tuesday J and several members walked the new Sophia St show field and developed a list of questions for the City. This new site will have its challenges but ultimately the show will go on! I anticipate an update from J at our next meeting. The first official club event is the Fredericksburg R V Show at the Expo center. This will be an opportunity to display a few cars and get the word out to area people about our region and AACA. Also a good opportunity to visit with each other as club members. All members are encouraged to attend as time permits.

Another interesting collector car event is "The Amelia" formally Amelia Concours de Elegance. The event is held on Amelia Island Fl. Put this event on your bucket list! Great car and people watching. Multiple auctions, Cars and Coffee, Tours, Seminars, a large Porsche show and finally the main event Sunday held on the golf course. Something for everyone. There are charges for admission to many of the events but worth the price.

We continue to need presenters for our monthly meetings. Car related or your other hobby?? Share with the group.

See you February 21st *John*

MONTHLY MEETING 17 JANUARY 2023

Meeting was held at the Dorothy Hart Community Center and via zoom. There were 19 members and 1 guest in attendance. Mike Sizemore is working through his application to National and then will join HFRAACA as a member.

The meeting was called to order at 6:35.

The **November minutes** were approved as in the Magneto.

Treasurer Report – Mark presented the treasurer's report.

We received a thank you letter from the food bank - \$744 from club plus the additional donations at the Christmas party. We donated \$919 total for 2022 for food bank, excluding individual checks to the food bank.

Mark is seeking an audit of the treasurer's books tonight, if possible.

The meeting room will now need to be renewed in a 3-month cycle – and reserve 3rd month out every month. It is currently reserved thru April.

Sunshine Committee – Please send any sunshine info to Connie. Please reach out to Connie if you are interested in helping with the sunshine committee.

Lish Garnett is in the hospital. She had symptoms of stroke on Sunday. The process has been up and down since.

Hank Mausolf has developed cancer and is relying on chemo to work. Ben talked with Hank yesterday. He has Leukemia, possibly treatable. His immunity to other germs is very much reduced. The process will take at least a year.

Connie has been sick for a couple of months. She is getting some strength back and they are hoping that results are coming. Her BP is coming down.

Frank Duval's wife has had a glaucoma shunt put into her eye.

A few other members have been feeling under the weather as well.

Lauman reminded us of **By Laws (Policy and Procedures Manual, May 2017)** and some of the key instructions in them. The By-Laws are dated 2017. Each new member is supposed to receive a copy at time of joining. Mark will scan and copy the Policy and Procedures Manual for electronic distribution (with printed copies for those without electronic access).

The roster is also due to club members at the time it is submitted to National. The roster was due to National at the end of January. To allow a little extra time for members to pay local dues, Nora will prepare the roster for distribution to members by the February meeting.

The Procedures Manual also says that we will have a judging team for each event. John G. is working on this for the spring.

New Members and Guests: Jim Holt - from car racing family. 1929 Model A Phaeton, rebuilt.

Mike Sizemore – long time swim friend of Wally's, 1985 Cadillac El Dorado. 2005 Corvette and cousin's 1965.

Old Business: Memorial Bricks

\$500 was approved in the budget for memorial donations for passed members. The memorial means has not been determined at this time.

Frank motioned that we buy memorial bricks at the AACA Museum for the four longest-deceased since 2013 from the members on the list. Motion was seconded. Majority of club voted in favor. Lauman expressed dissent. AACA funded the museum at shows since the mid-80's. The museum was separated from AACA. Frank is in sentiment with Lauman; but does not know of any alternatives. Lauman suggested that we could do something on our own. He does not agree with the museum brick plan. Carey agrees that Lauman's comment has merit. Terry notes that Lauman's comments are appropriate and noted. Vote passed to memorialize with 4 bricks for this year.

Deceased List: Members who have died since the brick program started in 2013.

- Julian Bennett – passed recently – Dec 2022

Welcome to Charlotte

Mei Carson, Executive Director
Hornets Nest Region, AACA

The Hornets Nest Region extends a cordial welcome to all fellow AACA members attending the Southeastern Division Nationals. April is a great time of year to visit Charlotte and we are especially pleased that you have chosen to participate in the Spring Nationals. The AACA Nationals is being held during the Hornets Nest Region's Charlotte AutoFair (produced each Spring & Fall) at Charlotte Motor Speedway. Credentials for Charlotte AutoFair will be provided to each AACA Owner registering a vehicle and to each registered AACA Judge.

The Speedway is located on NC Highway 29 North in Concord, NC. The Nationals site is most easily accessed from Interstate 85, using the US 29 exit—the Speedway is about three miles North.

Another recommended route is the use of the NC 49 Exit from Interstate 485, two miles South into the town of Harrisburg — turn left onto Morehead Road to the Speedway.

Charlotte Area Attractions

Charlotte Motor Speedway is the hub of NASCAR racing facilities to be found in the larger Charlotte metropolitan area. Near the Speedway, Concord Mills Shopping Center is situated at Interstate 85 Exit 49—about two miles from the Speedway and US29 on Branton Smith Blvd. This is one of the world famous Mills destination malls and includes a Bass Pro-Shop, many specialty stores, and a multitude of restaurants.

The LYNX Blue line (light rail train line) runs a 20 mile route from the University of North Carolina at Charlotte (UNCC) on North Tryon Street (about four miles from the Speedway) with stations through uptown Charlotte, and South to the Pineville area. There are 26 stations and the train runs every 20 minutes until 8PM, then every 30 minutes until 2AM. Uptown Charlotte also has a Gold Line street-car route that runs all day, seven days each week.

The NASCAR Hall of Fame is on Brevard Street in uptown Charlotte near the Convention Center and the NBA Charlotte Hornets Arena is on East Trade Street. The Bank of America Stadium, home of the NFL Carolina Panthers, has a collectables shop in the Stadium at Mint Street and Stonewall Street.

Uptown Charlotte features Discovery Place, a hands-on science museum for adults and children. Also there is the cultural campus on South Tryon Street which includes the Mint Museum Craft+Design; the Bechtler Museum of Modern Art; and the Gantt Center for African-American Arts.

Full Service Camping Choices

Apollo Mobile Home & Travel Park—Full hookup, 30 & 50 amp outlets. Shaded areas. Walk across Morehead Road and be at the Speedway in minutes. Located at 4275 Morehead Road. 704-455-2409.

Fleetwood RV Racing Camping Resort—Each site equipped with water, sewer, electric. Cable available. Restroom and shower facility on site. Located about one-half mile from the Speedway on Branton Smith Blvd. For Reservations call: 704-455-4445.

Note: There will be NO official transportation from these two Camping locations to the AACA Nationals Field.
